

Direct Private Rehabilitation Admissions

Brisbane Waters Private Hospital works in partnership with General Practitioners and key service providers to provide treatment for people requiring rehabilitation. If you need assistance with managing your patients' rehabilitation, allow us to help you by following the admissions process outlined below.

1 Patient needs a specialist rehabilitation admission

2 Patient has either Private Health Insurance, DVA Status, WorkCover or the ability to self fund their admission

3 Call our Rehabilitation Assessor on **02 4343 0275** who will arrange assessment and paperwork

4 Same day, we will confirm health fund eligibility check, admission arrangements and allocate a Rehabilitation Consultant
